New City Manager Reports Next Week

Edward Frank, 56-year-old administrator, next Tuesday, March 1, reports for work as Daly City's new city manager—a post that has been vacant since last August 18.

City Attorney Paul Hupf has been in charge as interim city manager since George W. Watts left last year.

SHIPFITTER INDICTED BY GRAND JURY

Three Daly City police cases, in which deaths were involved, reached different stages last Wednesday.

Grand jury members brought back an indictment of first-degree murder in the case involving Daniel Conti, 61, of 28 Knowles avenue. Conti shot his wife Mary, 72, after an argument in which she claimed she would divorce him. The shipfitter walked the short distance to the police station and gave himself up.

Robert Snyder, 32, was absolved in the death of his sister-in-law, Evelyn "Cathy" Snyder, 32, in a Westlake apartment. A coroner's autopsy proved conclusively that the woman died accidentally, due to barbiturates. Snyder was held on check for charges, however.

Edythe E. Levine, 31, the Westlake housewife who strangled her six-weeks-old son with her husband's necktie, is still awaiting trial.

'Within Five Feet Of Losing About \$16,000'

Al Sereni, president of the Daly City Scavenger Company, came within five feet of losing \$16,000—the cost of a bulldozer which was being driven off the side of a 100-foot cliff—Monday at 5 p.m.

Sereni, 472 A street, Colma, said his son Donald, 17, a Jefferson High School student, had gone on the beach to take a sun bath. He noticed two boys, about 20 years old, operating a bulldozer belonging to his father's company. He called for them to stop. They did—about five feet from the edge of a cliff.

Donald took down the license plate number as the car sped away from the Coast road dump site near Mussel Rock. Policeman Steve Steen is chasing down the registration number of the car.

Sereni said the bulldozer is worth \$16,000 but if it were damaged it would cost \$28,000 for a new one. Two pieces of his equipment were mired in mud two weeks ago, and he believes the same youths may have been at fault. It cost more than \$200 to have the equipment pulled from the muck.

ST. CLAIR URGES COOPERATION

Builders Fight City On Bldg. Permit Delay

The city council by 4-1 vote Tuesday night climaxed another 45-minute hassle over Daly City's inevitable freeway route by granting commercial zoning for McKeon's 10-acre shopping center south of Southgate avenue and east of St. Francis boulevard. Councilman Francis Pacelli voted against the R-1 to C-1 zoning change.

Before this 4-1 vote on the ordinance, the McKeons and John Schaeffer, city planning commissioner, and Edward O'Donnell, also a Westlake resident like Schaeffer, traded heated verbal blows over the council's delay in granting Zita Corporation building permits for new homes south of existing St. Francis Heights structures.

Schaeffer, of 752 North Mayfair avenue, started the ruckus by reversing his statements to the council at a prior council meeting. At this earlier session, Schaeffer asked the council to go on record for state proposed Route 2 because he said this route would not uproot any present homes.

Schaeffer on Tuesday night, however, said that after more checking of state plans, he learned that 84 homes had been erected in the path of Route 2, thus he urged that Route 2 not be adopted by the council. Sixteen of these residences, Schaeffer said, are in Westlake Unit 10 near Skyline boulevard.

Schaeffer added that the council should see to it that new building permits be held up until the state makes up its mind on a route, probably on March 24 with a public press release from the office of State Engineer J. P. Sinclair.

Although Councilman Bob St. Clair quickly noted that the council has sought the cooperation of all builders to delay new construction in the expected path of the freeway lateral, it was asked why the mayor hadn't met with McKeon to discuss this cooperation, and then both McKeons took the floor to protest the legality of withholding building permits.

Mayor Dennis said City Attorney Paul Hupf had discussed the delay in permits with the McKeons, but Hupf said he merely had told the McKeons that the city was making an investigation of the problem and was not refusing building permits. Last Thursday night in study session, George McKeon asked the council why there was a delay on new Zita Corporation permits, and the council, after an earlier caucus, agreed that it would be unfair to block the builders, and that asking their cooperation for a short time until the state freeway route

City Aids Hospital Campaign

The city council Tuesday night approved expenditure of \$200 as Daly City's share in the north county hospital study drive in cooperation with Pacifica and South San Francisco.

Their action came after a letter from Hospital Executive Committee Chairman Leo J. Ryan, South SF councilman. Each mayor has five citizens working on the study. The donations will defray essential expenses of the study, mostly paperwork considerations.

Councilman Francis Pacelli, one of LC's representatives on the steering committee, reminded that the study would determine the need of the hospital, whether it would be public or private, and means of financing it.

Pacelli admitted the early hospital study organization was "loose, but a concerted effort will be made by this new group."

The council also okayed a \$100 outlay from gas tax funds as Daly City's contribution to the North County Council of Cities' road study, seeking a fairer share of county funds for local improvements.

Agreement for allocating \$200 from unappropriated surplus for state maintenance of traffic signals at Lake Merced boulevard and Alemany in Westlake until this June 30 was also voted by the council.

In other main agenda items, the council:

1. Approved use of modernized county services and machinery for Daly City election April 12.
2. Ordered more study on agreement with state for temporarily closing streets in Westlake.

Girl Cited After Her Auto Strikes Pedestrian, 64

A pedestrian, Gladys L. Groom, 64, of 6925 Mission street, was treated for a fractured ankle after being struck by an auto at Mission street near Bismark street on February 15 at 7:43 p.m.

The woman was transported to Junipero Serra Hospital by M&D Ambulance and later transferred to Kaiser Hospital.

The driver of the auto, Evelyn Marie Hutchings, 18, of 1213 Brunswick street, was cited by Officer Richard Sims for driving with faulty brakes.

'Small Field' Council Race Unpredictable

Campaigning has commenced for Daly City's April 12 municipal election.

The key race, for city council, features the slimmest field in recent history here. Only one candidate, real estate broker Del C. Wilson, 47, is running against the incumbents, Francis P. Pacelli and Joseph Verducci.

Last Thursday's filing deadline putting only three in the council scramble for two four-year terms surprised most local political followers. A much larger flock of candidates had been anticipated.

Wilson, of 206 Alta Loma avenue, St. Francis Heights, served on the Daly City council four years. He was defeated for re-election in 1958. One of Wilson's campaign issues at that time was his position for sales tax. The tax levy later was upheld by Daly City voters by a convincing 4-1 margin.

Pacelli, who owns a Mission street stationery store, will be making his first election try. The Westlake resident, of 117 Windsor drive, was a council-appointed replacement for former Councilman Paul Hupf, present city attorney of Daly City. Pacelli, age 48, joined the council via the appointment in 1957.

Verducci, 50, completing his eighth straight year on the city council, served four consecutive years (54-58) as mayor of Daly City. Director of men's physical education and head football coach at San Francisco State College, he lives at 118 Wilshire avenue, Westlake.

Although both incumbents reportedly have considerable support by major groups, Wilson's chances aren't being regarded too lightly, according to several city hall observers. Pacelli and Verducci are campaigning independently and their council records indicate that they have expressed separate views in many city decisions.

The city treasurer campaign also bears close watching since there are three candidates for this normally unattractive \$400 a month full-time position.

Paul G. Selmi, former mayor and city councilman, will be opposed by school trustee and service station owner Joseph Lewkowicz, 47, of 501 Vista Grande avenue, and electrician Peter J. Becker, 62, of 824 Templeton avenue, who twice

DC Candidate For Treasurer, Wife Injured

Five persons, three of whom were ejected from the autos they were in, were treated for injuries after a two-car collision at Brunswick street and Crocker avenue Saturday at 11:05 p.m.

The drivers of the vehicles were Jimmy Langwell, 17, 575 Templeton avenue, a student, and Peter J. Becker, 62, 824 Templeton avenue, a master electrician and a candidate for city treasurer of Daly City.

Both cars were totally damaged. Langwell was transported to community Hospital by Broadmoor police ambulance.

Becker was driven to Mount Zion Hospital by M&D Ambulance along with his wife, Rose, 58, and two teen-agers who were passengers in Langwell's car. Mrs. Becker fell to the pavement after the crash along with Richard B. Bender, 17, of 882 Hanover street, and Richard Vauris, 18, 898 Hanover street. Officer Matthew Murray did not cite either driver, pending further investigation.

Doctors on Monday reported that Becker's condition was "good" despite a fractured rib. Mrs. Becker was termed in satisfactory shape. She fractured her hip and a rib in the accident.

44 More High School Teachers

Superintendent Ed Morgan told Jefferson High School District trustees Monday night that an increase of 900 pupils next year will cause the district to hire 44 additional teachers.

Morgan noted that he had sent letters to 22 placement agencies located at different colleges, universities and personnel service offices. The need is for nine in English, six in social studies, six in mathematics, three in science, three in commercial subjects, three in fine arts, four in industrial subjects, two in foreign languages, one in homemaking, three in physical education, two psychologists, a librarian, and a nurse.

BUILDERS SPEARHEAD PROJECT

PAL Obtains Westlake Parcel For Clubhouse

A long-felt need of Daly City's Police Athletic League is moving out of the dream stage and into the realms of reality. From the time of its formation, the organizers and supporters of the PAL have been dreaming of the time when the club could at last be housed in a building all its own.

Today, culminating a year of bargaining, fund raising, and planning, the deal was closed, and for a price of \$2000 the property south of Westlake park and adjacent to Alemany boulevard was sold to the Police Athletic League. Aiding

the project was Mayor George Christopher of San Francisco and the four major builders in Daly City.

Acting on this encouraging turn of events Police Officers Ed Beecher and John Coleman attended a luncheon meeting at which leaders of most labor unions were present. At this time, officials of the unions generously volunteered to donate the services of their members to the actual construction of a building, as soon as material, blueprints and necessary capital have been accumulated.

Architect John W. Gloe of

San Francisco has offered to draw up the necessary plans, to the specifications of the club, putting things one step nearer the ultimate goal. Gloe, a Westlake resident, also designed the new library on Southgate avenue and the new fire station in Westlake Unit 10.

The PAL hopes to obtain enough public support to erect a two or three-story building, designed to house a firing range, full-sized basketball court, locker rooms and showers, kitchen, and general recreation rooms in which will be

'BROTHERHOOD' RALLY SUNDAY

The Daly City Ministerium is sponsoring two important events to commemorate National Brotherhood Week this year. Chairman of the Brotherhood Committee, Rabbi Solomon Shore, announces a luncheon for Ministers at Congregation B'nai Israel, Daly City, this Friday, February 26.

Special brotherhood emphasis will be given and the meeting will serve as an opportunity for fellowship. Noted guests who have been invited include: Mayor Edward Dennis, Police Chief Edward Morgan and Richard Roland Petrochi, Dee Van Nest, Foster, school superintendents, Councilman Joseph Verducci, Mrs. Leo Krueger, president of the Sisterhood, and Irving Podolsky, president of Congregation B'nai Israel.

Rabbi Shore announces the city-wide Brotherhood Rally will be held at War Memorial Building in Daly City on Sunday, February 28, at 8 p.m. The public is invited and urged to attend. An excellent film is to be shown in addition to several greetings which will be given by dignitaries present. The ladies of Broadmoor Presbyterian Church will serve refreshments.

Woman Aided After Suicide Try At Motel

Alice V. Driver, 34, reportedly despondent because of "breaking up with her boy friend," attempted suicide Friday at 11:20 a.m. and was saved because of quick action by police and a motel manager.

Officer David Johnstone and Sergeant Rico Benedetti responded to the call of Mrs. H. H. Smith of the Mission Bell Motel, 6847 Mission street, who said that the woman in cabin 26 had called via motel phone stating she had taken a number of sleeping tablets.

When Johnstone arrived, Officer Smith and George Smith were attending to the woman. Benedetti arrived a short time later and the two officers administered artificial respiration until the M&D ambulance arrived.

A lavage was performed at Junipero Serra and the woman was transferred to Community Hospital where a 72-hour hold was placed on her. A friend of the woman, who also works at the Red Roof Restaurant and Cocktail Lounge, Ocean and Jewel avenues, said Miss Driver was despondent due to breaking up with her boy friend.

CARS COLLIDE, WOMAN SUFFERS BROKEN RIBS

Mrs. Minnie Wachter was treated for broken ribs at Mt. Zion Hospital Monday evening after an auto accident at Junipero Serra boulevard and Eastlake avenue.

Another housewife, riding in her husband's auto, said she would see her own doctor. She is Mrs. Luella Danczak, 62, 2060 Sterling street, Menlo Park. The drivers were Abe Wachter, 65, of 400 Avila street, San Francisco, and John B. Danczak 60, a machinist at Hunters Point. Police issued no citations pending more investigation.

Stolen Credit Card User Is Hunted By Cops

Jack Winters, operator of the Westlake Flying A, 2408 Junipero Serra boulevard, told police that a man using a stolen credit card purchased two tires worth \$93.76 last Tuesday at 8:15 p.m.

The man, using the credit card of Faustino Jimenez, 55 Fernwood drive, said he was Jimenez' son, "Bob." The Jimenez credit card has been missing since 1959. Mrs. Jimenez told Officer David Johnstone.

The attendant's description of the man was, 5-10, 200 pounds, blue eyes, light hair, reddish beard, wearing work clothes and driving a four-door car. Johnstone said the credit card has apparently been used on other occasions at Flying A stations, some in San Francisco and at the Flying A station at Mission and School streets.

After the attempt at Winters Flying A the man reportedly tried to purchase two more tires at Rogers Flying A in Daly City, but when the clerk went back to check the "hot list" of credit cards the suspect left.

Burglars Raid Boating Shop

Lloyd Cinsy, 56, owner of Lloyd's Motors and Boats, 2450 Junipero Serra boulevard, told police that his shop was looted of \$64.70 worth of materials between 4 p.m. Saturday and 9 a.m. Sunday.

He told Officer John Van Otten that the hasp of the rear door had been pried off. Missing were a set of boat lights, \$26.50; a plastic boat repair kit, \$4.50; a torch, \$8.50; and spark plugs, \$25.20. Other expensive items were not touched though all of the drawers in the shop had been ransacked.

City Election

was an unsuccessful candidate for city council. Lewkowicz, chairman of Jefferson Elementary District board of trustees, feels his business and school affairs experience qualify him "to serve on this important job to help control Daly City's budgetary system."

Becker, prominent in several veterans' organizations, thinks the treasurer's office "needs new leadership and a man who will devote eight hours a day to this full-time assignment."

City Clerk Evelyn Mosman, 56-year-old former school teacher and Westlake resident, is unopposed for re-election. A veteran city employee, she was elected in 1956 and is salaried at \$600 a month.

PAL Clubhouse

located a pool table, juke box, ping pong tables, etc. It is planned that the basketball court will be designed to convert easily for boxing programs.

At the present time the PAL has a membership of some 600 boys, and expansion is expected in the normal course of events, and what the PAL is asking for is room to grow.

An appeal is hereby launched to each and every resident of Daly City to join in supporting this club that is intended to benefit all our boys, and provide them with the opportunity to learn the lessons of sportsmanship and competitive endeavor. PAL asks that each person donate whatever he can keep in mind that the sooner the money is in hand to proceed with this project, the sooner the ground will be broken, and the PAL headquarters will be under way.

Persons possessing some laboring skill, or just a good strong will to help will be welcomed by the group, and their labors put to good use to bring this project to completion.

"Be a PAL, and continue to show the generosity that has characterized all previous appeals of this sort, and help our boys to get that room to grow," says PAL President John Coleman.

CDA Dance In South SF

Court Infant of Prague, Catholic Daughters of America, has scheduled an informal dance on Saturday, February 27, as its last social event before the Lenten season.

Mrs. Alve Fontana, chairman of the event, has announced that the dance will be held at the St. Veronica's Cafeteria, 434 Alida Way, South San Francisco, from 8 until midnight. All members and their friends are invited to attend. Reservations may be made by calling Mrs. Fontana, JUno 9-2933, after 5 p.m.

Bayshore City Heart Drive Led By Al Fambrini

In Bayshore City, the Heart Fund drive is headed by Al Fambrini, with responsibilities for both "Heart-Days-for-Business" and Heart Sunday, February 28.

According to Richard F. Liberty of South San Francisco, North county co-chairman for "Heart-Days-for-Business," Fambrini is the only person in San Mateo with these dual responsibilities.

Paul Gallette will assist Fambrini as city captain, backed up by 20 workers. Additional volunteers may call at Fambrini's Palace Prescription Pharmacy at 2800 Geneva.

"We pharmacists probably are more aware than anyone else outside the medical profession about the seriousness of heart disease," said Fambrini. "In not only Bayshore, but everywhere in the county, I hope that families will contribute generously to the Heart Fund."

Insurance Honor

Robert A. Goodenough of Daly City has earned membership in Mutual Of New York's highest sales-honor organization, the Top Club Round Table.

Membership is awarded annually to MONY field underwriters who achieve "superior" standards of production and service of life and accident and sickness insurance, according to Leonard Stiller, Daly City agency manager. About two per cent of MONY's 3500-man field force qualify for this group each year, he added.

Builders Fight

(Continued from Page 1)

was ascertained would be the proper policy. St. Clair termed the city's lack of liaison with the McKeeons on the permits "unfortunate," but again stressed that the McKeeons should cooperate until the state's intentions are clear. St. Clair suggested that southerly construction by both McKeeon and Doelger be shifted north temporarily.

MacRobert Stewart, representing Westlake Improvement Association, agreed with the audience that both builders should be instructed to cooperate because Westlake Unit 10 residents would suffer as much by Route 2.

George McKeeon asked the council if withholding building permits wasn't like a "dictatorship, and isn't it illegal for you to virtually put us out of business."

The young builder, adding that a delay in construction would put at least 1000 laborers out of work, said his firm was "provoked" when first notified by the council that there would be a delay on the new permits.

"This is child's play on your part," McKeeon charged, "and we can legally challenge your action."

Chris McKeeon then followed his son's statements, claiming "there is no assurance the Junipero Serra route will go through." He cited Zita Corporation's "earlier experiences in San Jose 14 years ago when we set aside land for freeway right-of-way, only to have the state adopt a route clear on the other side of town several years later."

The elder McKeeon called Schaeffer's proposals to the council on withholding the permits "shocking," and "I don't think we're in Russia." "We have always cooperated with this council," Chris McKeeon continued, "and I think you are morally wrong in issuing any statement to delay construction."

McKeeon continued that Route 2, the one the council favors for the Junipero Serra freeway, takes 397 pieces of land, compared to only 356 parcels each that would be disrupted by State Routes 1 or 5.

Schaeffer retorted by declaring that the East Y-T route (voted as least destructive by the council) at one time "satisfied McKeeon, then he turned around and urged a different route." Schaeffer cited that McKeeon was apparently resigned to losing his proposed shopping center fronting Junipero Serra south of Eastmoor because the state had purchased from McKeeon a 150-foot wide right-of-way easement.

David Plyer, 164 Mirada drive, St. Francis Heights, next took the rostrum as "a representative of the St. Francis Heights Improvement Association."

Plyer said he wished to thank Schaeffer for now going against Route 2 and Plyer wondered "why you (the council) adopted East Y-T in the first place when the state said it was not feasible because of the earthquake fault and high-cost underground tunnel near Skyline."

Plyer then asked the council to go on record "against any route along Junipero Serra." "A Junipero Serra freeway route would delete this major shopping area and the city needs this income in taxes," Plyer finalized.

But the council made no comment on Plyer's request. George McKeeon then informed the council that the "North County Freeway Committee" has hired an engineer to study the feasibility of a freeway along Skyline. He said the committee represents residents of Broadmoor, Serra Highlands, Winston Manor, Sterling Park, Garden Village and businessmen along Junipero Serra.

Presenting a map on the suggested Skyline route, which "necessarily must link with the Southern Freeway and the Western area of San Francisco," George McKeeon explained the route could go across Lake Merced and thence

Thief Particular About His Cars

A slick thief swapped his one-day-old car for another last Thursday. Both vehicles were stolen.

Jesse Goodin, 125 Peoria street, co-owner of Volume Auto Sales, 6854 Mission street, told Daly City Officer David Johnstone that he closed the auto lot at 9 p.m. When he returned the following morning, Thursday at 9 a.m., a 1956 four-door sedan was missing.

Officer Zanzi of the Richmond police department later notified Daly City dispatcher Jack L. Gallagher that this auto had been found. The culprit had left it in front of an East Bay auto dealer's lot while trying out a 1957 high-priced four-door vehicle. He hadn't returned with the second car, either.

Ben Franklin PTA

"Student Government in Action" under the capable direction of Doctor Mildred Karch Moorin, girls' counselor, will be presented at the next Benjamin Franklin PTA unit meeting to be held at the school's multipurpose room, Tuesday, March 1, at 8 p.m.

Cabinet students to be active are president, David Nelson; secretary, Kevin Burke, and chairman of social committee, Bob Murray; of Mrs. Phyllis Shackelford's 8th grade. Captain of the rally crew, Marc Mallinger, in Paris Simmons' 8th grade. Vice president, Skipper Smith; chairman of citizenship, Claudia Guz of Miss Cecilia Pelicon's 7th grade class.

Treasurer, Billy Eagleton of Mrs. Kathryn Johnson's 7th grade; and president of 5th and 6th grades, Nan Miller, in Miss Doris Callaghan's 5th grade.

Officers of the 5th and 6th grades are Pete Alba, vice-president; Cathy Hellsman, secretary; and Kenny Freiberg, treasurer; of Mrs. Thelma Evans', Mrs. Doris Ross', and Mrs. Joanne Zuppan's 6th grade classes.

"Student Government in Action" is of vital interest to all parents, affording them an excellent opportunity to delve into the various ramifications of today's youngsters.

PTA President, Mrs. Roy Milam extends an invitation to parents and friends of the Benjamin Franklin Student Body to attend. Hosting the evening will be 8th grade room-mothers.

along Brotherhood Way to Skyline. He said he would forward this proposal to the state this week.

McKeeon cited that the route along Skyline "would not require one piece of residential property, could easily cover eight lanes, and wouldn't even bother a backyard between Westridge and Westmoor." Edward O'Donnell, Westlake resident on Dorchester drive, countered that "this route seems to be a San Francisco proposition, so let them handle it."

"SF put a freeway in our laps and we don't want them to force any more on us." Plyer then answered O'Donnell with endorsement of McKeeon's Skyline route "because we need SF liaison and we should not divorce our routes from them."

City Attorney Hupf then noted that San Francisco did not protest the freeway route preferred by Daly City at the public hearing in South San Francisco.

The tumult Tuesday evening ended with the prospect of additional meetings between McKeeon and city officials for cooperation on building permits until the state makes known its freeway route recommendation to the State Highway Commission.

Schaeffer a few minutes later protested the C-1 zoning for McKeeon's shopping center and suggested the council rezoned the council rezoned McKeeon's intended shopping center land (fronting Junipero Serra) back to unclassified. He also said the council lacked a binding annexation agreement with the McKeeons.

St. Clair interrupted Schaeffer, declaring "we can't hold a dagger in one hand and block one issue because of another." Roll call vote on the rezoning then carried 4-1 with Pacelli in the minority.

Title Change To Be Aired By Local Eagles

A proposed change in the name of the Colma-Vista Grande Eagles to "Daly City Eagles" will be discussed by the full membership of the Aerie at its Thursday, March 3, evening meeting, President Herman Kalinin announced today.

Many members, Kalinin said, have indicated a desire to change the name because the local unit is one of the few national Aeries that isn't identified by the name of the city in which it functions.

Kalinin reported that the Eagles' "Old Timers Night" February 4 was attended by 150 members. Those with 20, 40 and 50-year memberships were honored.

Special guest was Charles Payne, California state Eagles president, who spoke about the various FOE projects such as assistance to youth centers, the cancer fund, aid to elderly persons, and the "Jobs Over 40" project.

Otto Schramm was chairman for the program, attended by a bevy of judges, all five Daly City councilmen, and other prominent north county leaders.

Conversational Italian Course

A special course in Conversational Italian will begin March 9 at the South San Francisco Adult Evening School. The class will meet on Wednesday evenings from 7 to 9 o'clock at South San Francisco High School, located at Orange avenue and "B" street.

The content of the course should be of special interest to people who are planning to travel to Europe. The course will include not only a practical application of Italian conversation but also tips for tourists about the culture and other important facts on how to get more enjoyment from their visit to Italy. The instructor for the course will be Tullio Bertini, who has not only traveled extensively throughout Europe but who has also lived and attended schools in Italy.

Registration may be made in advance at the high school office on Wednesday evening, March 9, with the instructor in the classroom. Further information may be obtained by phoning JUno 3-2611 after 7 p.m., Monday through Thursday evenings.

OBITUARIES

CARMEN MATHEU

Funeral services Friday morning at W. C. Lasswell and Company paid final tribute to Carmen Margaret Matheu, 64, of 171 Winchester street, Daly City. She died February 16 at the Villa Sanitarium.

A native of El Salvador, she had lived here 37 years. She was the mother of Paul R. DuPont.

A Requiem High Mass was offered at St. Michael's Church, followed by interment at Holy Cross Cemetery.

EDITH E. HALL

Funeral services were conducted Friday morning at Lasswell's mortuary for Mrs. Edith Emma Hall, 130 Vale street, Daly City. She died February 16 at St. Mary's Hospital in San Francisco.

A native of Wisconsin, she had lived here 43 years, and worked as a member of the Retail Clerks Union. She was the mother of Vincent P. Hall and Mrs. Violet M. Sarto, the grandmother of Kathryn Hall and Joseph L. Sarto, and a close friend of Mabel Jacobs.

Rosary was recited Thursday evening at the chapel. A Requiem Mass was celebrated at Holy Angels Church in Colma.

Entombment was at Holy Cross Mausoleum.

WILLIAM STEGALL

Funeral services were conducted Tuesday morning for William H. Stegall, of 32 Hillcrest drive, who died last Friday at Junipero Serra hospital. A native of Mississippi, he had lived here only a year.

He is survived by his wife, Caridad, and daughters Maria and Yolanda Stegall.

Rosary was recited Monday evening at the chapel of W. C. Lasswell and Company. A Requiem High Mass was offered the next morning at Our Lady of Perpetual Help Church. Interment was at Holy Cross Cemetery.

Time To Begin "Economies"

Many a time we can use a trite phrase like "Do it now" and get away with it; grammarians to the contrary notwithstanding. If ever such a phrase could be used it is now—as the city fathers face decisions on budgets, funds transfer, and economies in all departments.

Let's take a quick look at the possibility of retiring some city-owned vehicles from service. Possibly anywhere from four to six vehicles could be dispensed with—put in storage and used at a later date when actually needed. It costs money to run these vehicles—not only for the wear and tear on them and mechanical attention frequently needed—but it takes considerable gas, oil and tire money to keep them going.

Several departments seem to be over-mechanized—of course this does not apply to the police and fire departments which have an urgent need for their cars—but it does apply to many other departments where a need for cars is practically non-existent but protocol seems to be "we got to have 'em!"

Now protocol is a fine word, full of sentiment (and not much else) but let's not get so high and mighty that we can't overlook lofty sentiment in order to save the taxpayers a considerable sum of money.

So, let's "Do it now" and ask for economies in every city department—wherever possible and at as early a date as possible—substituting the word "early" for NOW!

Let's Not Be Too Hasty!

With all the "pros and cons" as to the various highway routes to be considered still being one of the main topics of conversation—wouldn't it be advisable to call for another public hearing in regard to the matter?

How much thought has been given to the fact that both of the counties through which the highway will pass must thoroughly investigate and be in full accord on the route before it will be suitable to both?

Let us make an intelligent survey before endorsing any hastily approved state plan which may not prove advantageous to either county. Merely getting motorists from one county to another is not the only problem to consider. We must try to plan a highway so as not to disrupt homes or businesses if it is at all possible to spare them.

It seems that there are several route possibilities that have not been explored too thoroughly so why not hold another public hearing on the matter and study all phases of the problem before accepting something that a later, more prolonged, survey may show we "missed the bus."

Another public hearing might be the answer—anyhow it wouldn't hurt to try for one.

First Annual City-Sponsored Doll-Show Judging This Saturday

Daly City's first annual Doll Show, sponsored by the Department of Parks and Recreation, will be held this Sunday at War Memorial Community Center from 2-5 p.m.

Ribbons will be awarded in the following categories: Foreign, Character, Vocational, Animal, Prettiest, Oldest, Most Lifelike, Most Unusual, Most Complete Wardrobe, Cutest, Baby Doll and Rag Doll.

Persons with collections of unusual dolls, doll houses, and/or furniture are encouraged to enter them in non-competition and place them on special display. Owners of doll buggies, strollers, etc., are also invited to enter them in the show.

Dolls may be registered at any of the following times: Friday, Feb. 26—1-15, War Memorial Community Center; Saturday, Feb. 27—10-3:30, all playgrounds; Sunday, Feb. 28—11:30-12:45, War Memorial Community Center.

Doll owners are encouraged to register their dolls Friday afternoon at the War Memorial

Debate Set

On Sunday evening, February 28, at 7:30 p.m. at Temple Methodist Church, Junipero Serra boulevard at Nineteenth avenue, the Wesley Fellowship will sponsor a program which will present both sides of the issue, "Should Capital Punishment be Abolished in California?"

Dick Ernst, a Senior at San Francisco State College, will present the affirmative side, with John Wesley Carrothers presenting the negative. This program is open to the public, and all interested persons are invited to attend.

FIRE stations throughout San Mateo county will play an important part in the Heart Fund drive this Sunday, February 28, when workers will bring in their collections from the door-to-door residential canvass. "With resuscitators used by fire and police departments in emergency heart cases, both firemen and policemen have a personal and practical interest in the Heart Fund drive," William A. Burkett, San Mateo, 1960 Heart Fund chairman, said. Gathered in the main fire station at Westlake, reviewing procedure, are (left to right): Fire Chief Edward Greer, Pacifica; Fire Chief Elmer Kennedy, Daly City; Mrs. Vincent Murphy, cashier for Broadmoor collections; Mayor Jean Fassler, Pacifica; William A. Burkett, 1960 San Mateo County heart fund chairman; Mrs. Connie Spittler, Daly City Heart Sunday chairman; Police Chief Ray Savage, Broadmoor; and Volunteer Fire Chief George Bertucci, Colma. COUNTY NEEDS 370 WORKERS FOR CENSUS

Walter F. Flanley, district supervisor of the 1960 Census of Population and Housing for San Mateo county which starts April 1, today issued an appeal to residents of the area to become candidates for jobs as census takers. Three hundred seventy (370) enumerators will be required to canvass the county.

Applications for jobs as census takers may be obtained from the Bureau of Census Office at 120 North B street, San Mateo, or by telephoning Diamond 2-7406.

Applicants for jobs as census takers must be over 18 years of age, be citizens of the United States, and have a high school education or its equivalent. Candidates will be required to pass a selection test demonstrating their ability to understand written instructions and read maps. Persons who are presently or recently associated with law enforcement or tax assessing or collection agencies are not eligible.

Census takers will be paid on a piece price basis. A diligent census taker should earn about \$12 per day, the district supervisor said. A \$10 training fee will be paid to census takers who successfully complete the course of instruction required before they start their rounds, and accept a census assignment.

Board Hires Pacifican For Oceana Faculty

Jefferson Union High School District trustees Monday night hired the first "outside" faculty member for Oceana High School in Pacifica.

William R. Whalen, 1063 Rio Vista drive, Pacifica, was hired as a member of the music department. He has taught at Horace Mann and Pelton junior high schools the past seven years. He was also employed at two Washington state high schools for a period of three years. He received his master's degree from San Francisco State.

Hired for adult education course in portrait life drawing and painting was Mrs. Lois M. Lazarus. A former member of the art faculty at the University of California, in 1957, she has exhibited a number of her works in Brooklyn, Los Angeles and San Francisco museums.

The board also accepted resignations, effective at the close of the school year, from three teachers. They are: Miss Sally R. Clark, Westmoor girls physical education instructor; David E. Manning, Jefferson music department instructor; and Allen R. Whitsitt, Westmoor English department instructor.

DC Truck Driver Gets Service Award

John McQuaid, 19 Abbott avenue in Daly City, recently received a 5-year service award from Ceco Steel Products Corporation. McQuaid is a truck driver at Ceco's San Francisco plant. He was presented with a gold tie clasp in honor of his years with the company.

RADIATION THREAT

National Agency Urges 'Fallout Shelters' in Every U. S. Home

Offices of Civil Defense Mobilization Director Leo A. Hoegh has announced that latest scientific research discloses that nearly anyone can receive up to 200 roentgens of radiation from a nuclear blast without suffering disabling illness.

Basis for the announcement was a letter received from Dr. Lauriston S. Taylor, chairman of the National Committee on Radiation Protection and Measurements, which reported some new findings made by a subcommittee on permissible exposure doses under emergency conditions.

Dr. Taylor's letter states the subcommittee strongly recommends that every effort be made to keep the radiation exposure as low as possible by providing fallout shelters.

Director Hoegh praised the work of the subcommittee and called its new evidence "extremely significant and gratifying in the light of OCM's intensified campaign to have shelters built in every home in America." He added: "The report makes an important distinction between acceptable peacetime levels of radiation and the amounts we could live with if necessary in wartime. What the scientists are telling us is that no American citizen need become the victim of fallout. If we will heed their advice, the safety and security of most of our families and our nation can be assured. The report of the Committee on Radiation Protection and Measurements will spur action among the indifferent and confirm the wisdom of Americans who have already built shelters for their families."

In his letter, Dr. Taylor said that if radiation exposure is spread more or less evenly over a year, the average individual could receive as high as 1000 roentgens without becoming a casualty. The reason is that the normal recovery process of the body enables repair of damage over a period of time. The subcommittee's study is based on experience to date with man and animals.

A roentgen is a unit of measurement of ionizing radiation. The average American absorbs about three-tenths roentgens of radiation per year from natural causes, such as cosmic rays, and from certain medical treatments, such as X-rays.

The National Committee on Radiation Protection and Measurements is sponsored jointly by the Bureau of Standards, the Atomic Energy Commission, the Public Health Service, and 14 other public and private agencies.

750 Volunteers Door-To-Door For Heart Fund

This Sunday, February 28, is Heart Fund Sunday, when Daly City and Westlake families can personally help the heart cause, to reduce the toll which heart disease takes in the community.

Under the direction of Mrs. Connie J. Spittler, Daly City, 750 workers will be calling door-to-door, asking for "your Heart Fund dollars to carry on an effective program of research, professional and public education and community service activities."

Even the firehouses will participate in the campaign, as collection depots for workers, under the supervision of Daly City Fire Chief Elmer Kennedy and Broadmoor Police Chief Ray Savage. As Chief Kennedy said, "We firemen have more than a passing interest in heart disease because resuscitator equipment is invaluable in emergency heart cases."

Each volunteer will visit approximately 10 to 20 residents in her immediate neighborhood. The collection in all communities will be conducted between the hours of noon and 5 p.m. Each volunteer will carry an official identification badge.

Carroll Rutherford In 'Winter Shield' Army Combat Test

Army Pvt. Carroll D. Rutherford, son of Mr. and Mrs. C. W. Rutherford, 569 Skyline drive, Daly City, participated with other personnel from the 4th Armored Division in Exercise Winter Shield at the Grafenwohr-Hohenfels training area in southern Germany, February 1-7.

Winter Shield, an annual Seventh Army winter maneuver, involved 60,000 troops.

Rutherford, a tank crewman in Company D of the division's 67th Armor in Furth, entered the Army in December 1958 and completed basic training at Fort Hood, Texas.

The 19-year-old soldier attended Jefferson High School.

PARIS Simmons, center, eighth grade social studies teacher at Benjamin Franklin School, accepts a telegram from Principal Fred Schweickhardt saying that his 1959 class has won an

award from the Valley Forge Freedom Foundation for its Book of Presidents. Vice-Principal John Belforte (right) noted that Simmons will receive a George Washington

Honor Medal award. The award was for "helping to bring about a better understanding of the American way of life."

AROUND TOWN

By ROY HURLBERT

Ed Frank, the man from Petaluma, opens shop as city manager of Daly City next week.

In study session last Thursday evening, City Attorney Paul Hupf estimated that roughly 20 priority projects will face Frank in his inaugural here.

Balancing the budget, of course, tops the list. Annexation policy and proposals are additional matters needing immediate attention.

Since his appointment about two months ago, Frank has made almost a dozen trips from the Chicken Capital to keep abreast of Daly City matters. He won't be starting from scratch exactly here because he has followed council actions closely for eight weeks.

Did you notice that Angus McSweeney is Jeff Elementary District's architect for its planned \$325,000 new headquarters in the southern section of Westlake?

McSweeney builds with a minimum of delay and the school board seems to be satisfied with his Edison, Lincoln and Webster plants—opening of which is cutting down on double sessions.

City building inspector George Hopman asked the Daly City council in study session last week to give him more help because the volume of work in his department can't be handled by present personnel, he maintains.

Aware of the council's budget problems, Hopman nevertheless insists that the important job of granting building permits and checking on builders takes considerable time and careful inspections. If city restrictions are to be enforced and its construction standards met to the letter of the law, Hopman feels he needs at least one more full-time building inspector. Even two more men would be a good authorization in this category, George hinted.

Paris Simmons and his eighth graders at Ben Franklin School deserve all the credit they are sharing for two books they have "published" on U.S. Presidents and "The Little People Who Made Us Big."

The Daly City school is receiving national attention for its coveted Freedom Foundation Award. This was based on the high quality of the book on presidents.

In researching for historical data, the local youngsters (about 85 all told), wrote letters to and were answered by leading educators, statesmen, politicians and other national celebrities.

Notice the two separate classifications—"statesmen" and "politicians." Statesmen implies respected leadership. Politician, perhaps unfairly, has a generally poor connotation. Some politicians are or can be statesmen. And most statesmen had to be politicians first in order to obtain the more dignified title.

Whilst visiting fellow reporters in a sizeable East Bay city over the weekend, we exchanged views with a school teacher who is among 15 candidates for that fast-booming community's city council.

He said he got in the race because as a new homeowner he was incensed over high taxes. This would be his major campaign issue, he proclaimed.

Asked about the incumbents' records, he said he didn't think he would challenge them or charge that he could do a better job.

Why? Well, he admitted that even though he had lived in that city almost two years, he hadn't attended a single city council meeting.

Yet he was a candidate for election.

Draw your own conclusions, if you please.

The Monday Morning Caucus Club has verified that Daly City almost had a woman candidate for city council this election.

In fact, one major group was ready to go full blast to put her in office.

But when all the other "rumored" candidates failed to flood the field, this lady too decided to stay out of the campaign.

We have never heard of a race with so few candidates in a city this size.

Two years from now there may be enough candidates for two elections, one City Hall observer is predicting.

Councilman Bob St. Clair was the 25th Assembly District's official delegate to the recent state Demo convention in Fresno. Rather-large Robert talked with Jack Kennedy, Hubert Humphrey and also to Stuart Symington.

Who's your choice, we asked objectively.

"I'm sold on Kennedy," answered St. Clair.

What about Nixon, we probed.

"Oh, I met him before," continued Bob. "But he's in the other camp."

There was floor-sitting room only for Friday night's Jeff-Westmoor basketball thriller. Plenty of parents turned out.

Long-time Daly City residents can remember when the local "Big Game" was Jeff against South City.

South City now is just a poor country cousin as far as Jeff and Westmoor are concerned. The Indians and Rams would rather beat each other than any foreign foe.

It's a good rivalry and promotes Daly City's "community" attitude.

309 'B' Average Honor Students At Westmoor High

Principal Glenn South has announced that 309 students, or 19 percent of Westmoor's student body, received a "B" average grade on their fall semester report cards.

Six students received the honor of obtaining all "A's" for the semester report.

The "B" honor roll students were led by 109 freshmen. Tenth grade had 69, eleventh 68, and twelfth 63.

JESD Pair Back From Convention In Atlantic City

Jefferson Elementary School District Assistant Superintendent David Shapiro and trustee Tom Noonan returned Monday from the American Association of School Administrators national conference in Atlantic City, New Jersey.

They also visited placement bureaus in Eastern cities to recruit teacher candidates for Daly City and Colma.

Spring Series Of Art Movies At SF State

The Creative Arts Division and the student's Art Club of San Francisco State College in conjunction with the Associated Students, will present the first program of the spring series of Art Movies on Wednesday, March 2 from 7:30 to 9:30 in the Main Auditorium. Admission is free.

The following films will be shown:

The Mischief Makers, by Francois Truffaut is a short story of young love spied upon by a gang of "mischief makers" in the setting of a small town in southern France. The film was made by one of the most original of the new group of young French directors and won the Grand Prize at the Brussels Festival.

Ancient Grecian Images, beautifully photographed by Claude Renoir, presents primitive terra cotta figurines, Cretan gods and late Greek art

of the Louvre as illustrations of the changing society that produced them.

Surprise Boogie is a cinematic interpretation by Albert Pierru of Robert Cambier's original jazz score. It received first prizes for best animated short film at several European film festivals.

The Spanish Riding School is the first film of the famous equestrian school of the Austrian Imperial Court. Set in the original 1735 building, one of the jewels of baroque architecture, it shows the magical skill of the magnificent Lipizzan horses and their stylish riders.

The Fatal Glass of Beer stars the incomparable W. C. Fields in a Mack Sennett comedy which provides him with opportunities not only for hilarious slapstick acrobatics but also for his grinding philosophic sarcasms.

Two Baroque Churches in Germany was filmed at Vierzehenheiligen and Otterbeuren by the noted American designer and film-maker Charles Eames. The visual exploration of these sumptuous examples

"YWCA CAROUSEL" is the title of the YWCA fashion show at Westlake Bowl this Thursday between 1 and 3 p.m. The show features fashions for men-to-be and fashions for children. Left to right are: Elaine Wolfe, YWCA director here; Pacifica Mayor Jean Essler; Richard Donati, age 3, of 823 Montezuma drive, Pacifica; Mrs. Leonard Donati, vice-president of Pacifica Y-Wives; and Mrs. William Owen, president of Pacifica Y-Wives. The Y-Wives are sponsoring the show. Reservations may be made by calling PL 6-7370.

Westlake School 6th Graders Hear Guest Lecturer

In connection with a Social Studies unit on Central America, Thomas P. Sechrest recently visited the Westlake School sixth grade classes of Miss Gladys Bohlen and Cecile Paynter.

Sechrest spent many years in the Panama Canal Zone and had pictures and slides to show the youngsters. He also brought objects purchased in the area and left them for display.

Westlake Appearance

'MISS NANCY,' TOTS' TV HOST, GUEST HERE FOR FASHION SHOW

By Mona Baker
Staff Writer

"Miss Nancy" is coming to Westlake! Special guest at the YWCA luncheon-fashion show tomorrow (this Thursday) at Westlake Bowl will be charming Nancy Best of KGO-TV's excellent children's program "Romper Room" (weekdays, 9:30am). She will visit the children in the nursery, and talk briefly before luncheon guests about her program.

Each day throughout the Bay Area thousands of little feet rush to their television sets, as enraptured pre-schoolers spend a joyful hour at "Romper Room School" with their beloved "Miss Nancy." Actually the viewing audience is well over 100,000 daily and when she makes a personal appearance at various outdoor locations, there have been as many as 5000 people. Celebrating her second anniversary in March, Miss Nancy has a waiting list of almost a year for children to appear on the program.

Delightful television for the tricycle set, "Romper Room" is now seen in 83 cities throughout the country including Canada. Produced in Baltimore by Nancy and Bert Claster, assisted by a planning board of expert teachers, the same script is used on all stations by each "Romper Room" teacher. Skillfully combining fun with instruction, the program has such entertaining features as "Willie, The Weather man," "Mr. Do Be," animal friends, singing

games and teaching projects.

A most capable television teacher, Nancy Best is a graduate of Northwestern University with a B.S. degree in Radio-TV. Handling six lively youngsters, keeping them completely occupied for one hour while cameras follow every movement, takes real skill as any mother of pre-schoolers will agree. Speaking to the children in a quiet, friendly manner, she certainly has the knack for holding their interest and keeping the program moving along beautifully. Another outstanding feature is the skillful way she makes the children at home feel part of the program as they participate in the activities right along with those on the air.

Appearing on "Romper Room" this week and next are two local youngsters from Pacifica, Mardine Kennison, daughter of M. and Mrs. George Kennison, 807 Montezuma, and Joseph Owen, son of Mr. and Mrs. William Owen, 831 Montezuma. If you are interested in your youngsters appearing on the show, drop a letter to Miss Nancy, care of KGO-TV. Children are scheduled in order of letters received. They must be four years old and appear for a two-week period. Also kindergartens and nursery school classes are welcome to visit KGO-TV's studios and watch the program being telecast. To make arrangements, also write Miss Nancy in care of the station.

MISS NANCY BEST,
.... Romper Room host

Birthday Sabbath At B'nai Israel

Friday, February 26, will be Birthday Sabbath at Congregation B'nai Israel, 67 Los Banos avenue, Daly City. Services begin at 8:15 p.m. and

are conducted by Rabbi Solomon A. Shore. The topic of his sermon will be "The Historical Significance of the Hebrew Alphabet."

Those Sunday School students born in February to be honored are Leif Abram, Janet Cohen, Jo Carol Duskin, Vivian Goldberg, Michael Hartmann, Susan Heard, Anita Hoffman, Barbara Krow, Keny Liss, David Pava, Sue Posman, Robert Rubin and Paul-ette Solomon.

Something For Everyone

Do you want to look for mushrooms, raise worms, shoe a horse, rob a bee hive, establish a business? In the past, citizens of Daly City have asked for material on these and hundreds of other subjects that are not found in the books of a general collection like that maintained by the Daly City Public Library.

To satisfy people who ask for extraordinary material, Daly City participates in two excellent services that you should know about. To explain them to you I have asked Mrs. Cecil Saarinen, the Interlibrary Loan Librarian to write the rest of this column.

"When a borrower fills out a request card for a book which is not in our collection, we request the book from the San Mateo County Library, a privilege we maintain on contractual basis. If the County Library notifies us that the book is not in its collection, we request the California State Library to loan it to us.

"The State Library's collection contains books in the following fields: law, fine arts, physical sciences, technical sciences, general material, fiction in foreign languages, history, biography and travel by significant authors, drama, poetry, other forms of literature, personnel management, economics, sociology, criminology, music, education, science, mental hygiene, nursing, California, and genealogy. The State Library does not, however, buy juvenile books, English language fiction, popular non-fiction, and how-to-do-it books. These are excluded, since they are normally purchased by local libraries. As a rule, the State Library does not provide textbooks either.

"The loan period on State books is five weeks with provisions for two renewals of two weeks each if no other requests have been made for the material. The loan period for bound and unbound periodicals is three weeks with renewals. If patrons of other libraries are also requesting books that we ask for, they may be lent to us for two weeks with no renewals.

"If the book we have requested is not included in the State Library's collection but is listed in their Union List of books available for loan from other libraries within the State of California, the State Library sends us a list of those libraries. We may then borrow them under a plan that has been worked out by the public libraries of the state known as Interlibrary Loan.

"Books borrowed on Interlibrary Loan are subject to the loan policies of the lending library. This may be for two weeks, or longer, or even shorter if the lending library so directs.

"Many people do not know that they can get subject requests filled through the State Library. If you want information on a subject and we do not have it in the Daly City Public Library, we will gladly send to the State Library for books on that subject.

"Since July, 1959, the people of Daly City have borrowed 273 books from the State Library or from some other library. During the same period, Daly City has loaned 20 books to other libraries."

Sir Francis Drake is believed to have held the first Christian religious service in what is now California on June 15, 1579.

Food & Fun

On The Peninsula And San Francisco

New at the popular Westlake Lounge—"Fun at the Piano Bar" nightly Tuesday through Saturday with the talented and well-known Bay Area personality, Grace Tufty. Grace has appeared at such well-known night spots as Del Vecchio's, Bimbo's 365, Cuban Room of the Broadmoor Hotel and many U. C. and has made many acquaintances in the Bay Area. Drop others. A long-time Marin county resident, she attended in at the Lounge and have Grace play your favorite number.

Westlake Bowl now features complete waitress service in the "Sunset Room" restaurant, serving breakfast, lunch and dinner. Then, of course, there's Irene Baker at the Piano Bar in the Crown Room, and for that special event, the attractive and intimate banquet room.

Tired of home cooking? Who isn't? For a top quality dinner with reasonable prices you need look no farther than one of the nicest local restaurants in Daly City. Try taking the family to ROSINO'S Restaurant, located at 5999 Mission street. We enjoyed it and we think you will too.

If you're like most of us, you've probably wondered about these statements such as 20 kinds of pancakes or 6 kinds of waffles. If you have any doubts, just stop in at Uncle John's Pancake House in Millbrae. They have them all and you'll enjoy trying some of those unusual varieties. This unique restaurant is only minutes away from Daly City.

Sculpturing And Ceramics Class Open To Adults

Registrations are still being taken for a class in ceramics and sculpturing at the South San Francisco High School Division of Adult Education. The class is being offered on Monday evenings from 7-10 p.m. and is designed to teach adults the art of clay modeling, sculpturing making of dishes, plates, vases, bowls, and lamps. Registration may be made on Monday through Thursday

Folk Dance Fete Scheduled June 4

HONEYMOON TRIP TO OLYMPICS

Thomasine Maria Vivaldi Weds William Somerville At Our Lady Of Mercy

Thomasine Maria Vivaldi and William Robert Somerville exchanged vows on February 14 in a double gold ring ceremony at Our Lady of Mercy Church in Westlake.

Father James Carmody officiated at the afternoon rites. The couple's reception was held at Robert's-at-the-Beach. Then they departed by auto for a honeymoon trip to Squaw Valley.

The bride is the daughter of Mr. and Mrs. Joseph I. Vivaldi,

3 Eastgate drive, Daly City. She attended St. Rose Academy, City College of San Francisco, and San Francisco State College, and is employed by the Arnold Panella insurance agency.

A graduate of Polytechnic High, the benedict is the son of the late Mr. and Mrs. William C. Somerville, and he resided at 230 Buckingham way, San Francisco. He works at the U.S. Navy Radiological Laboratory.

Mrs. Marvin Lamson attended the bride as matron of honor. The groom's brother, Richard J. Somerville, was best man.

Miss Vivaldi's gown featured alencon lace with scalloped bodice, a chapel train, and a fingertip veil with a seed pearl crown. Two orchids accentuated her bouquet.

A four-tier wedding cake was sliced and white almond remembrance bouquets were given away at the reception.

WESTLAKE-OLYMPIA PTA HONORS MRS. HEADMAN, MORRIS LISTON

Westlake-Olympia PTA recently held its annual Founder's Day event. Mrs. George Themelis, historian, was in charge of the program and Mrs. Guido Pfotenbauer, past president, gave a symposium on Founder's Day.

Richard Foster, district superintendent, outlined the projected school construction program which included the future utilization of the Westlake, Olympia and Fernando Rivera schools.

The following Honorary Life Members were special guests: Henry Weibel, Mrs. Howard Dunbar, Charter President; Municipal Judge Charles Becker and Mrs. Emanuel Demerest. Don Leshner, president of Hillside PTA was also a special guest.

The Webelo Den of Cub Pack 63, under the leadership of Mr. Edward Headman, presented the flag ceremony. The Rev. Miss Dorothy Gleason, Honorary Life Member of the Fairwood School, Sunnyvale, and minister of the Methodist Church of Westlake, led the devotion.

In accordance with Westlake-Olympia tradition, Mrs. Alvin Steinfeld presented the Honorary Life Membership awards. Honorary Life Memberships were presented to Mrs. Edwina Headman and Morris A. Liston. An Honorary Life Membership is conferred upon an individual in special recognition of outstanding service to children and youth.

Mrs. Headman was cited for her services as a former Bible School teacher, a Den Mother

Mary's Help Guild Plans Hospital Tour

Members of Mary's Help Hospital Guild and guests will tour the hospital after the regular monthly meeting is held there on February 26 at 1 p.m.

Of special interest will be the newly decorated cafeteria, the bed scale for the weighing of body fluids, and the three isolettes for premature infants. All have been purchased by the hospital through the recent efforts of Guild members.

Mrs. A. R. Sanchez-Corea, president of the Guild, urges members to attend and bring guests who might be interested in donating their services. The guild has many facets of service. Among these include the visiting of the poor with the hospital sisters and personal service in the Hospital Gift Shop.

The hand-making of the famous Pinkie Puppet is a special project of the Guild. Each child in pediatrics is given a Pinkie Puppet. No one may buy Pinkie. It is a gift of the Guild members who make it with tender, loving care. Mrs. E. R. Ripley Boyd, in charge of the Pinkie Workshop, advises that volunteers will be welcome on this project.

Hillside PTA Plans Founders' Day Program

Hillside PTA covering Colma K-6 and Colma intermediate schools, will hold their Founders' Day program this Thursday at 8 p.m. in the Multi-Use room.

Chairman Mrs. Florence Hermsillo has a skit planned for the evening's entertainment, which will also include the choir from Colma intermediate school.

Mrs. Connie Nofziger, Honorary Life Membership chairman will present two pins to persons outstanding for their interest and participation in child welfare.

Refreshments will be served by hospitality chairman Mrs. Reta Poole, with the assistance of kindergarten mothers who will serve sandwiches, cake, coffee and punch.

President Don Leshner issues an invitation to old and new members and friends to participate in the Founders' Day program.

St. Vincent de Paul Salvage Bureaus Need Used Items

The Society of St. Vincent de Paul Salvage bureaus in northern California and the Bay Area are in need of used and serviceable clothing, bedding and blankets, furniture and other usable household items.

Gordon Rowland, San Francisco Bureau manager, stated that an unprecedented demand for usable items to outfit the needy and less fortunate during the recent Christmas season had resulted in a depletion in stock for most salvage bureaus.

OIL IN NEW MEXICO

Oil was discovered in southeastern New Mexico in 1927, according to the National Automobile Club. Lea County, center of the production area, today produces crude oil worth over \$200,000,000 a year.

He urged that anyone desiring to donate items to the Society, phone their local St. Vincent de Paul Salvage bureau.

Donations will either be given to those in need or sold to marginal income families in order to finance the Society's other charitable works.

Chamber Of Commerce Reports Good Membership Drive Results

Daly City Chamber of Commerce's membership drive to give it more community-wide representation is producing good results.

President Louis Pisani, bank manager, today reported that membership is 20 percent higher than last year at this time. The unit's goal is at least 150 members this year.

Edward Morgan, high school superintendent, and the Chamber's board of directors, have met several times the past three months to discuss the campaign for new members and ways to strengthen the unit and promote Daly City.

All Daly City businessmen and women are eligible to join the chamber. Its regular meetings are held the third Thursday of each month at Westlake Bowl banquet room starting at noon. A guest speaker is planned for each session. The board of directors meets the second Thursday of each month.

Secretary-manager Peter Markovich at last week's meeting reported that there are 106 paid-up members. These do not include about a dozen honorary members.

Key speaker at last Thursday's session was Earl Fowler, trust officer, San Mateo headquarters of Bank of America. Appearing by request of Pisani, Fowler stressed that all married couples must invest today for the security of their youngsters tomorrow. He explained the provisions in wills, community property decisions, and ways to trim heavy inheritance taxes by consulting attorneys and banking advisors.

In regular business, the Chamber learned from chairman Jack Kendrick and Joe Rohl that its new sign advertising "Welcome to Daly City" soon would be erected on the east side of Junipero Serra Boulevard across from the Alemany ramp. This 16-foot tall structure will contain greetings from the Lions and Rotary Clubs as well as other local groups.

NORMAN DUREUX ENDS 8-WEEK ARMY COURSE

Pvt. Norman C. Dureux, 23, son of Mrs. Marie Hoffmann Dureux, 3 Montrose, avenue, Daly City, completed the eight-week basic Army administration course February 5 at Fort Ord.

Dureux received training in typing, record keeping and Army clerical procedures. He entered the Army last September and completed basic training at Fort Ord.

A tour escort with Western Greyhound Lines in San Francisco prior to entering the Army, Dureux is a 1955 graduate of Lowell High School and a 1959 graduate of San Francisco State College.

His father, Oscar Dureux, lives at 82 Nido way, San Francisco.

of Minnesota; Union University in Jackson, Tennessee, and received his master's degree at Stanford University.

The Founders' Day program also featured an "Indian Pow-Wow." This was the culmination of a social study unit presented by the third grade children from the rooms of Mrs. Del Guyman, Mrs. George Lewis and Mrs. Fred Relyea.

A social period followed the conclusion of the program with first grade room mothers as hostesses in co-operation with hospitality chairman Mrs. Edward De Martini. Refreshments were served from a most attractive table, featuring a large birthday cake decorated in the traditional blue and gold.

El Carmelo Native Daughters Set Golden Anniversary Rites

Plans for the "Golden Anniversary" of El Carmelo Parlor No. 181, Native Daughters of the Golden West, are in the final stages this week and all Native Daughters are looking forward to the celebration on Saturday, February 27, at 8:15 p.m. in Crocker Masonic Temple, 17 Hillcrest drive.

This will be a momentous occasion in the lives of the five charter members who will be honored, along with Grand President Maxine Porter of Inglewood, California. They are: Mesdames Margaret Steele of Daly City, Charter President; Bertha Grady, South San Francisco; Matilda Heeringa, San Mateo; Hattie Kelly and Ann Manning, San Francisco. These members exemplify true Native Daughters for they were the pioneers of El Carmelo Parlor during the period when a "Pioneer spirit" was necessary.

El Carmelo Parlor was instituted February 26, 1910, and throughout these 50 years the members have participated in all of the activities of the Order. The Children's Foundation, the Native Daughters' Home, and the restoration and preservation of Mission Soledad are some of the projects toward which donations are made.

Mrs. John Hulme, chairman of the evening, and the members of her committee have spent much time and effort in arranging the program. Daly City Mayor Edward Dennis will extend greetings and the colors will be presented by the Marine Corps Color Guard of Daly City.

On this 50th anniversary of the Parlor a new, 50-star American flag and a new California Bear flag will be presented and dedicated.

Acceptances have been received from grand officers and past grand officers of the order, past deputy presidents and past presidents of the parlor, and also from members of the Native Sons of the Golden West.

'Golden Gloves'

There'll be plenty of tickets at the door and lots of lively action this Thursday night when Golden Gloves boxers invade Daly City's War Memorial building.

The 12-bout card opens at 8 p.m. under the co-sponsorship of the Police Athletic League and OLPH Church Men's Club.

Winners here Thursday night advance to the Golden Gloves semi-finals next week at San Francisco's Civic Auditorium.

Life Membership Certificate

JEFF'S MIKE ORLICH AWARDED COUNTY'S HIGHEST PTA HONOR

Jefferson High School's popular Mike Orlich kept a luncheon date in Redwood City Thursday and found himself the surprised recipient of an Honorary Life Membership Award, the highest honor that the 17th District of the California Congress of Parents and Teachers can bestow.

Receiving the award at the District's annual Founders' Day meeting and luncheon, held at Sequoia High School and the First Methodist Church of Redwood City, Orlich is one of a handful of North County persons to be recognized by the county-wide child welfare organization.

The District, which boasts a membership of close to 50,000 persons, selects three persons each year to honor, in acknowledgment of their outstanding contributions to community welfare. Mrs. Eleanor D. Nettle of San Mateo is the initial recipient for 1960 and the third will be announced at the March membership meeting.

Orlich, who joined the Jefferson High School District in 1948, is currently coaching varsity basketball and golf at the home of the Indians.

Making the presentation on behalf of the 17th District was Mrs. Kenneth Gillespie of Broadmoor, a member of the HLM committee. Other members of the selecting group are: Mrs. Guy Steacy, chairman, of Burlingame; Mrs. L. E. Engleman of Redwood City; Mrs. C. N. Underwood of San Mateo and Mrs. Theodore Labhard of Burlingame.

Citing Orlich's 12 years of area residence, Mrs. Gillespie stated that the recipient has endeared himself to many thousands of children and adults, by reason of his tireless work in

behalf of youth, their parents and their recreation.

Currently a member of the San Mateo County Recreation Commission, the recipient was lauded for having recognized a need in this area approximately five years ago which led to the founding of the James L. Snell PTA Recreation Program, a program serving thousands of youngsters from the unincorporated area of Colma annually.

In addition to being director of this program, Orlich performs many volunteer services.

The recipient is an official for the Annual 20-30 All-Star East Bay vs. West Bay prep charity football game; secretary for the Peninsula Athletic League, a post he has held for seven years; recreation chairman for the Garden Village PTA (nee James Snell PTA); recreation coordinator for the Benjamin Franklin PTA in Colma, and department chairman of the Jefferson High PTA.

Although not a resident of Daly City (the Orlich home is in Garden Village), he serves as an advisor to the Daly City Police Athletic League. He is an official of the Boy Scouts of America and administers the American Red Cross summer swim program locally.

The father of three sports-minded boys—Jimmy, Tommy and Jeffrey—Orlich is abetted in his community service work by his attractive wife, Dorothy. Completing the family circle is Max, second cousin to TV's famed Cleo, who enables the busy honoree to spend a few hours of his scarce spare hours as a director and officer of the California Basset Hound Club.

A Californian by adoption, Orlich attended the University

MONTALBO, FUERTES TO FILL BILL?

Hurling To Decide PL Race Finish — Mezzera

"Pitching will be the determining factor in the outcome of the Peninsula League baseball race," Jeff High Coach Steve Mezzera said today.

By this statement, Mezzera put the burden squarely on the shoulders of two hurlers up from the championship frosh-soph squad plus his lone ace returnee, Stan Montalbo, who

compiled a 6-1 record with 2.17 ERA, and Jack Fuertes, 3-2, with 2.52 ERA, are the lads on the spot.

Don Staff, outstanding senior ace will no doubt be the No. 1 twirler. Staff, 5-3 and 2.98 ERA with the varsity last year, will have to show the guiding hand.

The infield, experienced and sure handed, will have returnees Richard Mortola, third base, Jay B. Berry, shortstop, and Karl Keeling, second base. According to Jeff averages, Keeling clouted the best, .404. Berry (.275) and Mortola (.214) will have to bolster their averages a bit to make the Indians a solid contender.

The fifth returnee is center-fielder Harry Leininger, a .192 hitter. Some sages claim that Jeff had its best frosh-soph team ever last time out and it will be up to these "graduates" to fill in the missing pegs or win positions from veterans.

The list trying for posts is long and impressive: Third baseman George Claus (.375), catcher Ed Crowley (.333), centerfielder Jack Fuertes (also the pitcher, .282), second baseman Mike Kennedy (.300), right fielder Tom McEntee (.185), first baseman Tony Montalbo (.385), outfielder John Souza (.118), outfielder Rod Stoller (.349) and infielder Bobby With (.143).

Others trying out for the first time are pitchers Lynn Anderson and Hank Barber, shortstop Sabin Eastman and outfielder-first baseman Keith Higgins.

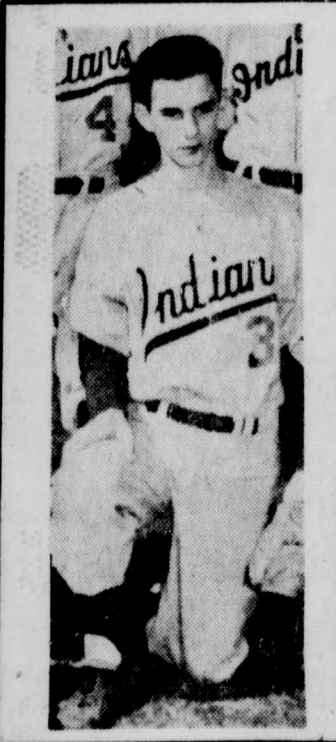

Mezzera will have to find solid pitchers along with an improved hitting club to move up from the fifth place tie Jeff had with Hillsdale and Mills last year. Whether Montalbo, Fuertes, Anderson and Barber can join Staff as consistent winners or not remains to be seen.

Jeff had a .260 team average last year and, as a dentist would say, more plate work

will be needed. Mezzera notes his team has versatility of players, speed and a lot of power. His main concern is with the slab men.

The Indians have a rugged practice schedule, meeting prep teams the equal of any in the Bay Area. Sacred Heart, St. Ignatius, Polytechnic and Cal JV's are a few of the top ones. Harry Vapion will handle the frosh-soph nine.

Practice games for the first week of March are: March 1 vs. Balboa; March 2 vs. Carmel; March 4 vs. Lincoln. All games are set for 3:15 p.m. at the Indian diamond.

RICH MORTOLA is a returning third baseman for Steve Mezzera's Jeff High baseballers.

BEARCATS PIN LOSS ON JEFF BASKETBALLERS

San Mateo won its second consecutive hoop game from Jefferson, walking off the Indian court last Wednesday with a 52-44 win.

Jeff had the lead at 13-9 shortly after the first quarter but the Bearcats charged back to command at halftime, 28-22. Gary Molossi, only 5-11, led Jeff rebounding with 14 as well as hitting a like number of points. Rich Mortola, improving a little each time out, popped for 10.

The Bearcats' high-scoring Dave Baisley was held to a single field goal but Mike Zocchi and Bob Little broke loose. Zocchi hit 18, and Little 12, points respectively.

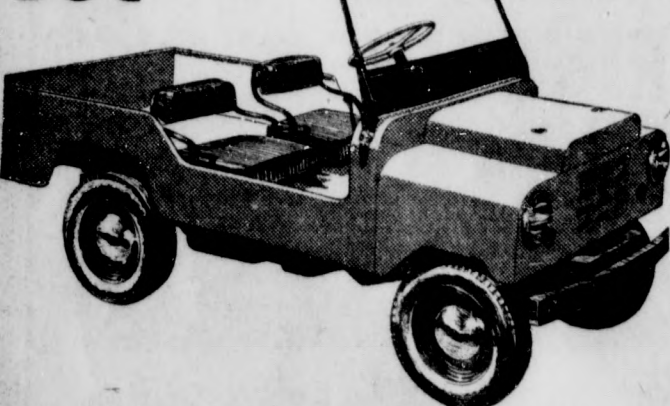

Rick Warner's lightweights trailed throughout to the little Bearcats but a field goal plus a Sonny Stoller foul shot stood up for a 41-40 nudging. Stoller often alternates with Bobby With for high-point honors. With, the "shick" one, was high this time meshing 15. George Claus followed with 11 points. Jack Lee had 16 for the losers.

WITH, STOLLER BATTLE DOWN TO FINAL GUN

Bobby With and Sonny Stoller have assured Jeff High's lightweights of second place in the Peninsula League standings, but as for leadership in the scoring parade they are both on unsteady ground. Their chief opponents are each other, in a friendly way.

With has three point lead over Stoller going into the final contest.

Gary Molossi's buckets keep coming and he has the lead in the over-all point production as well as local top listing. Barry Krohn moved into second place, in Daly City scoring, holding a scant margin over teammate Bill Dougherty.

Westmoor Closes Basket Season

Westmoor this Friday will close out its most successful basketball season since entering the Peninsula League.

The Rams meet Mills in Millbrae with game time for the lightweight contest 7:30 p.m.

Jefferson travels to South San Francisco to close out what has been a mediocre season. The 130's are second only to Capuchino and feature two of the best scoring B's in the loop, Sonny Stoller and Bobby With. Lightweight preliminary starts at 7:30 p.m.

Focus On Cap, Hillsdale Friday

Westmoor and San Mateo will be as worried about the results of their own games as much as the final score of the Capuchino-Hillsdale game Friday night.

Both teams are on the heels of Cap as the Peninsula League reaches its last night of action. Hillsdale, in fourth spot, has 47 upsets to its credit this year and could turn the tide against the Mustangs.

Capuchino gained first place Friday by beating San Mateo, 50-45, on the Bearcats floor. Neil Calhoun's 17 markers led the winners who were ahead of opening tip to final buzzer. The closest margin was 43-41 in the fourth quarter.

BAXES DON'T COME IN BOXES: Conspicuously missing from major league box scores this year will be the name of Jim Baxes. Baxes, recently sold to San Diego of the Pacific Coast League by the Cleveland Indians, would be a good addition to San Francisco Giant bench "strength." He could be an excellent pinch-hitter and could fill in for Jim Davenport at third base. He also plays second and has the vet savvy to help a team like the Giants.

AFL DOESN'T STAND FOR AFWUL: The American Football League is sort of receiving a pat on the back from the old standby, the National Football League. (The pat may be a little low on the spinal cord.) If the NFL is not at war with the AFL, as has been said, then they will gladly consent to having the pro championship game between the two leagues for the world title. We don't think this will come about as the NFL won't help the new group. It is our guess that in a few years the AFL will be as strong as the NFL. Incidentally, union men, AFL is not connected with the CIO.

MOST UNDER-RATED PL CAGER: Our nomination for the most under-rated Peninsula League basketballer goes to Burlingame's Mike Jedin. While huge Bob O'Donnell, a lad who, incidentally, is deaf and dumb, usually leads the team in scoring and Doug Squire sometimes comes in for good nights, we like Jedin's outside shooting.

HAVING A SHORT CHUCKLE: When keeping a running account of a basketball game we don't have time to put down the full name of a cager so we use abbreviations. Looking at the notebook after a Westmoor game we run across our own scribbling of "Christ, Beer, Dough." This of course stands for Terry Christman, Clark Beerman and Bill Dougherty.

THREE A'S IN SARANCHOCK: There are three A's in the name of Andy Saranchock but he has more than that. Only six students at Westmoor received all A's on their report card last semester. Saranchock attained these grades and also played varsity basketball and football. When they say, "You're a gentleman and a scholar" to Andy, they really mean it.

Calhoun tore Westmoor apart. He would hit a long set or drive in for a shot. When Beerman or Krohn would move up to handle him he'd pass off to a lonesome mate inside.

Capuchino connected on 12 of 15 free throws while Westmoor managed a good, but not sufficient, 15 of 24. Roger Dabney was outstanding on the boards for Cap. The Rams played a very poor ball-handling game, probably the worst of the season. Numerous errors gave the Mustangs the ball. When West-

Westmoor Scores 18 Consecutive Points While Blanking Jeff For Final Six Minutes; Win 54-47

Both Caryl Chessman and Westmoor received a reprieve last Friday. While Chessman, the pawn in the gas chamber game, has to wait 60 days, Westmoor's final position in the Peninsula League basketball race will be decided this Friday.

The Rams kept alive by coming back from a 45-36 deficit to Jefferson and winning out, 54-47, at the capacity crowded Westmoor gym. The Rams

scored 18 consecutive points while Jefferson was being blanked over the last 5:54 of the game. Karl Keeling's short jumper just before the final buzzer broke the string. The tilt had been tied 12 times.

Andy Saranchock and Gary Molossi fought a duel during the first half. Both tanked 13 points. Andy was held scoreless in the second half while Molossi popped 6 more through the net. Rich Mortola also had an excellent first half of play to his credit.

Reese sparked the comeback by clammy swishing fouls while pandemonium had struck teammates. Bill Dougherty had his usual final quarter splurge by working his way under the bucket for three field goals.

Jefferson's B's had a rough go of it before finally beating a lowly rated Westmoor club. The Indians scoring twins, Sonny Stoller and Bobby With had 11 and 12 points, respectively, to pace the winners.

Kite Contest This Saturday At Two Sites

The Third Annual Kite Derby sponsored by the Daly City's Department of Parks and Recreation and the Lake Merced Optimist Club will be held this Saturday at Westlake Park and Colma School at 1 p.m.

Contests will be conducted for both homemade and commercial kites. Boys and girls, 14 years and under, are encouraged to enter the kite derby. Kites will be judged for each classification and awards given.

Entry blanks must be filled out by all participants at any of the recreational playgrounds or at the site of the kite derby. No entries will be accepted after 12:45 p.m. the date of the contest.

In the event of rain, the kite derby will be re-scheduled for Saturday, March 5, at the same time and locations.

BYA Captures Title In 6th Grade League

The BYA Celtics turned back the favored OLM Gaels, 20-11, to win the 6th Grade Division of the Department of Park and Recreation's boys basketball leagues.

The Celtics qualified for the championship playoff game by defeating PAL, the third team tied for first place, 29-22.

Led by Bob Hood and John Heick who scored 10 and 9 points respectively, the Celtics were never headed by the Gaels. Hood also contributed a fine defensive game and controlled both backboards.

OLM's David Thompson was the only threat to BYA as he scored 10 of the losers' 11 points. Fred Arnke scored the only other OLM point.

"Galapago" is the Spanish name for tortoise, the giant land animals which gained first attention on the Galapagos Islands.

Richard Holmberg Hurls No-Hitter For San Pedro

Richard Holmberg, a seventh grader at OLPH School, hurled no-hit baseball Saturday as George Benson's San Pedro Lunch Juniors swamped Parkmerced, 15-0, on the losers' diamond.

It was the third straight practice win for the Daly City-Colma nine. Phil Phalen, with two hits, and Bob Johnson's triple led the San Pedro attack. Holmberg struck out seven and walked only five over the seven innings. The effort was his first as a junior on the mound.

Pedestrian Hit By Auto

Vivian Rose Mattes, 176A Werner Street, was brought to Junipero Serra Hospital by police Officer Matthew Murray Friday at 5:15 p.m. following a pedestrian-auto accident.

Dan A. Talbert, 47, of 2828 Irving Street, San Francisco, a car salesman, was the driver of the auto. The accident occurred at San Pedro road and Reiner street.
